

ARTIST PARTNERSHIP PROPOSAL

TourStar x Alice Cooper

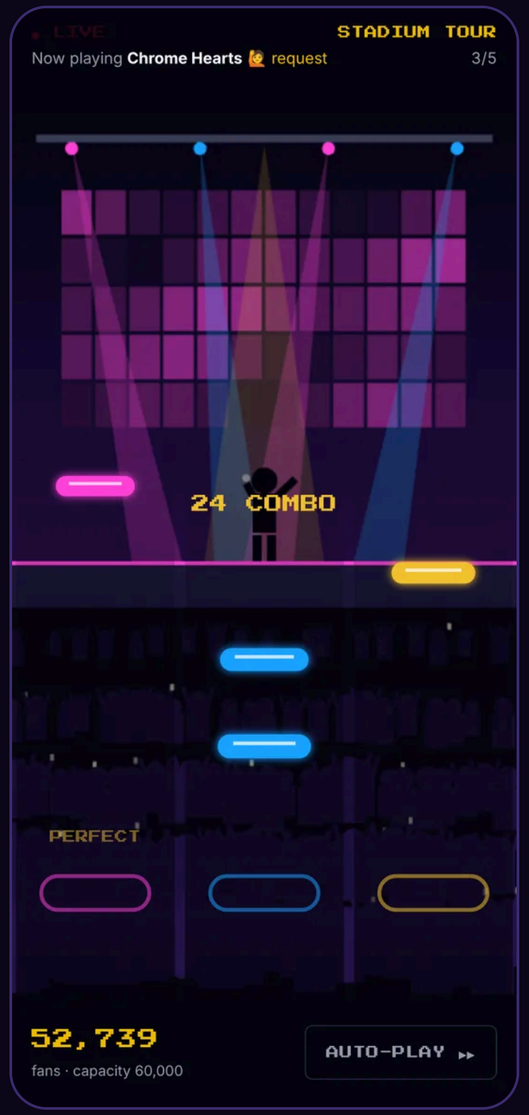

Welcome to the show.

WHAT TOURSTAR IS

You don't watch the show. You play it.

TourStar is a music career game for iPhone. Players build an artist and take them from Mom's basement to sold-out stadiums, and every show is playable: notes fall in time with the music, and how well they play decides the crowd, the pay and the fame.

The best players win **real VIP experiences and merch**, fulfilled by Please & Thank You.

THE CAREER

Seven stages. One shot at legend.

1	2	3	4	5	6	7
Open mic	**Bar gig**	**Club tour**	**Theater tour**	**Arena tour**	**Stadium tour**	**Stadium encore**
40 fans	150	800	2,500	18,000	60,000	90,000

Around the shows: releases that earn royalties, labels, crew and gear, scandals with real consequences, Drum School lessons, weekly leagues against real players, and daily reasons to come back.

WHY ALICE

A game where the show is everything needs the artist who made the show an art form.

Theatrical staging, props and a set that changes every night are exactly what TourStar can turn into play. With the Alice’s Attic tour on the road in 2026, the game can carry that show to players between the dates.

THE PARTNERSHIP

Four pieces, one show.

01

Artist pack

Alice’s look, stage set and props as an official in-game pack.

02

Game-style songs

A handful of classics, re-recorded in TourStar’s arcade style and playable on stage.

03

Hosted corner

Alice’s own space in the app, plus a Halloween tour event.

04

VIP prizes

Real tour experiences as the top rewards, won by playing.

01 · ARTIST PACK

Play the show as Alice.

- Signature stage outfits and accessories for the player's artist
- An Alice stage set as a themed headline venue
- Show props and effects that trigger during the songs
- Sold in the in-game store at the top artist-pack tier

Concept art for discussion. Final in-game look approved by Alice's team before release.

02 · GAME-STYLE SONGS

The classics, in arcade form.

A limited-time run of Alice-themed shows every October, with its own leaderboard and rewards.

Real tour links

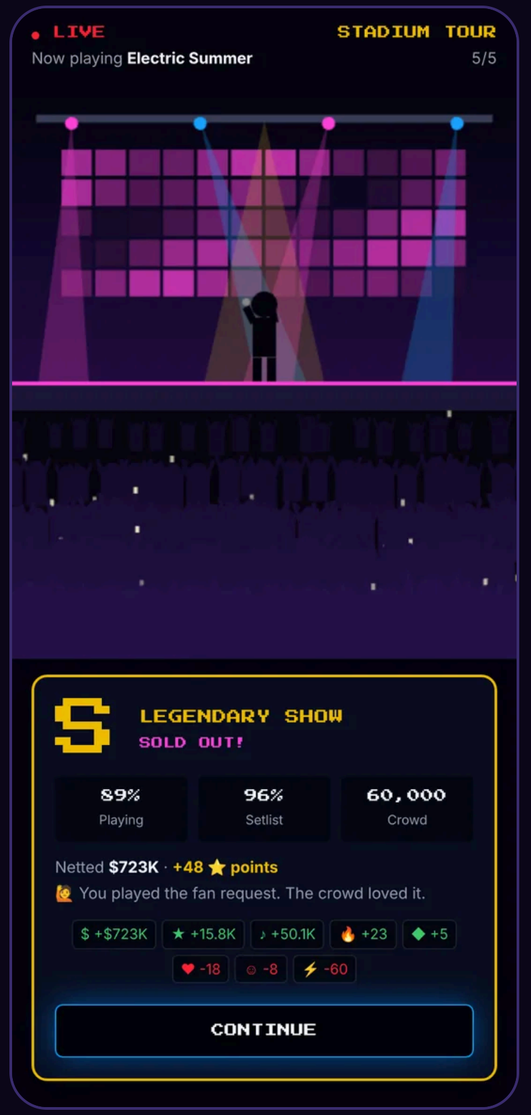

Featured real dates with ticket links and presale codes, tracked for a partner report.

Already built and running for our first artist partner, so this can go live in days once approved.

04 · VIP PRIZES

Fame in the game. Prizes in real life.

- Top players win real VIP experiences at Alice shows and official merch
- Points come only from playing: they can’t be bought
- Fulfilled end to end by Please & Thank You, who run fan clubs and VIP programs for touring artists

05 · WE PROMOTE THE TOUR

VIP packages and official merch as top prizes all tour long.

Member presale

Every TourStar member gets presale access to Alice’s tour, pushed by in-game alerts and email.
